HENRI LLOYD

Henri-Lloyd, founded in 1963, is a world market leader in yachting technical clothing. In the past 15 years it has established itself as a leading fashion lifestyle brand through its Menswear, Footwear, and Womenswear collections. These collections have particular success in the UK, Italy and Scandinavian markets.

Henri-Lloyd's prime objective is to seek high street locations in towns/cities "by the sea" or close proximity to the sea. They would however also consider possibilities further inland if the demographics were right.

Recent acquisitions include Dartmouth, Salcombe, Wilmslow, Merry Hill, Cheshire Oaks and a new Manchester flagship.

Please send details of shops with Ground Floor Sales of 1,000 – 2,000 sq ft in similar towns.
